

**Meeting Announcement:  
Trinity Adaptive Management Working Group  
April 22 and 23, 2003  
Weaverville, California**

The Trinity Adaptive Management Working Group (TAMWG) will meet Tuesday, April 22 from 9:00 AM to 4:00 PM, and Wednesday, April 23, 2003 from 8:00 AM to 2:30 PM at the Victorian Inn 1709 Main Street, Weaverville, CA. Primary objectives of this meeting will include: continued orientation of Committee Members to the Trinity River Restoration Program, establishment of Committee bylaws and establishment of subcommittees. The meeting is open to the public.

Preliminarily scheduled for the morning session of April 22 are opportunity for public comment, presentations of the Draft Strategic Plan, general concepts of adaptive management and its application to the Trinity River Restoration Program. Afternoon session topics will include review of the 2003 water-year flow release schedule, summer pulse-flow recommendations, the Trinity River Restoration Program Executive Director's quarterly report, Restoration Program updates, and the Trinity County Grant Program. Items for the April 23 sessions include the Working Group's bylaws, discussion of priority emphasis areas, subcommittee formation, and an opportunity for public comment.

The TAMWG affords stakeholders the opportunity to give policy, management, and technical input concerning Trinity River restoration efforts to the Trinity Management Council. Members of the Working Group represent a broad cross-section of organizations that are not otherwise represented on the decision-making Trinity Management Council. These interests include residents of the Trinity River basin, recreational and commercial fishing organizations, Trinity Lake resort owners, whitewater rafters and guides, power utilities, irrigators, small businesses, and forestry associations.

A draft agenda for the meeting is available for download from the Arcata Fish and Wildlife Office website at <http://arcata.fws.gov>
